CORPORATION AUDIT COMPANY

Portland, Maine

February 15, 1947

To the Inhabitants of the Town of Buxton, Maine:

At the request of your municipal officers and in compliance with Chapter 80, Section 116, Revised Statute 1944, of the State of Maine we have made a detailed audit for the year commencing Feb. 5, 1946, and ending Feb. 6, 1947.

The Town Warrant for the year 1946 and the records of the clerk, assessors, tax collector, treasurer, superintendent of schools, and the heads of all departments have been checked in detail so as to correctly reflect a true and correct view of the state of the Town's affairs. The records, vouchers, warrants, receipts, trust funds, licenses, and tax deeds were verified and such adjustments as were recommended have been made. The expenditures were those authorized by the Town Warrant. The records of the assessors, tax collector, and treasurer, were verified in detail. An analysis of the surplus at the beginning and the close of the year and the receipts and expenditures correctly reflect the cash balance and in our opinion the accounts of all the officers and of all those associated with any of the departments are true and correct.

CORPORATION AUDIT CO.,
SETH W. NORWOOD,
Auditor and Legal Adviser.

REPORT OF FIRE WARDEN

To the Municipal Officers and Citizens of Buxton:

I herewith submit the following report for the Fire Department for the year 1946.

During the year your Fire Department answered 52 calls.

Three dwellings in town; 3 dwellings out of town; 18 chimney fires; 21 forest and grass fires; 1 forest fire out of town; 2 truck fires; 1 pool room fire; 1 lost child; 2 false alarms.

A hose coupling team was organized and attended a contest at York where they won third place.

They also took part in parades at Sanford and South Berwick and later a hose coupling contest at Saco City Hall.

We have purchased 500 ft. of $1\frac{1}{2}$ inch hose, 1 high lift jet, 1 new forestry pump, 2 fog nozzles, 2- $2\frac{1}{2}$ x $1\frac{1}{2}$ yds., made up 4 adapters $1\frac{1}{2}$ n/s thread to $1\frac{1}{2}$ iron pipe size—our hose size—so we can couple with our neighbors, who use n/s thread couplings. Also bought new batteries for both trucks.

We need a great deal more for next year. The old Larabee with cracked engine block and old tires is about ready to quit. Two cans of crack sealing dope last year helped for a time but water seeping into the crank case now is not so good.

The old Forestry Pump has been repaired by Southworth's Machine Co. and should be good for a number of years to come.

I would suggest this be placed at Groveville or the northern part of the town to be used for chimney or small grass fires until the truck from Bar Mills or West Buxton can get there if needed.

We have two reservoirs needing repairs. The one at Groveville—which saved the village, with the help of West Buxton and Gorham—and the one at Bar Mills School lot.

Both need new cement walls and must be repaired this year.

Respectfully submitted,
 PHILIP S. BROOKS,
 Fire Warden.

REPORT OF BOYS AND GIRLS CLUBS

Several 4-H Clubs were started in the town of Buxton in 1946, but at the close of the club year there were but six girls who had completed their projects.

The prize money donated for 4-H work, by the town of Buxton was divided among these six and awarded according to accomplishments, 4-H work requirements, merits, and ability to produce.

Helen Rancourt	5.00	poultry

Respectfully submitted,

GRACE R. DAVIS,

4-H Club Leader

BLISTER RUST REPORT

As the time is approaching when you will be preparing your 1946 Town Report, we are submitting a brief statement regarding the status of blister rust control work in your town.

As you know, blister rust control work is conducted under a cooperative agreement between the State and Federal Governments, in which they cooperate with towns.

According to our records, Buxton is a very good pine town, having over 8,000 acres of land bearing pine in sufficient quantity to be placed on our blister rust control area. In order to protect this amount of pine, it is necessary to examine over 19,000 acres for the removal of wild Ribes plants. Buxton has always taken great interest in protecting its pine, and has appropriated funds for this purpose many times in the past.

The entire town has been initially worked and one-half has been reworked during the past several years. Buxton made \$100.00 available for this work in 1946, resulting in that nearly 600 acres were worked, from which nearly 1,000 wild Ribes plants were destroyed at a cost of \$474.78 (Town \$62.35—State \$62.36—Federal Government \$350.07). In the course of the work, we have placed 4,644 acres of the control area on a maintenance basis; i. e., due to the scarcity of Ribes plants, no further control work will be necessary on this area for an indefinite number of years.

However, as there are about 7,000 acres of pine plus protective zone still needing examination, we trust that the town will see fit to raise cooperative funds for the 1947 season, when we hope that the labor situation will have improved over that of the past several years. The work is under the direct supervision of our Federal Agent, M. G. Calderara, of Auburn.

Thanking you for your past cooperation, I am

Very truly yours,

W. O. FROST,
Pathologist.

BUXTON-HOLLIS HOSPITAL, INC.

During the past year three children in the Town of Buxton had tonsil and adenoid operations under the Clinic. Also eighteen children in thirty-three visits had seventeen cleanings, eight extractions and thirty-eight fillings in the eight Dental Clinics which were held during July and August.

Eighty-one days of Free-bed Service were given to two patients during the year 1946. This represents a total of \$362.50 worth of Free-bed Service, which is nearly half of the money raised by the town.

We are very appreciative of the interest and assistance given us by the people of the town. Needless to

say, the increase in cost of caring for patients presents a big problem to a small institution.

Respectfully submitted,
A. G. WILEY, M. D., Pres.
Buxton-Hollis Hospital, Inc.

ANNUAL REPORT OF PUBLIC HEALTH
NURSE, BUXTON — 1946

Since 1920 the Division of Public Health Nursing has been an activity of the Bureau of Health. In 1920 one nurse covered the entire state; today a complete staff includes 42 nurses and 6 supervisors working in six districts. District I comprises York and Cumberland Counties plus five towns of Oxford, with an estimated population of 260,577.

There are five public health nurses and one supervisor carrying on a generalized nursing program under the medical direction of the District Health Officer. The nursing time allocated to a specific town depends upon the appropriation and the community's needs.

The present concept of public health nursing as carried on in Buxton, rather than restricting the nurse's activity to care of the sick in their homes, stresses prevention of disease and promotion of health, by helping the community to analyze the health problems of individuals and families.

In April the health examination of children in selected grades was done. A real effort was made to have the parents present so that physician and parent could discuss jointly the health problems of the child.

Since tuberculosis continues to be a major public health problem, the high school pupils were given the Patch test last Spring. In December children in the grades were tested. Arrangements will be made for X-raying every family in which a child shows evidence of contact with tuberculosis.

Three Child Health Conferences were held during the summer at which children under six were examined by a physician and received immunization against smallpox, diphtheria, and whooping cough.

The public health nurse has tested the eyes of all children referred by the teachers as showing evidence of eye defect.

Hearing tests with the audiometer were given to all children above the second grade.

Home visits are being made to children found at school or at Child Health Conference to have a health problem.

In addition visits are made to expectant and new mothers, to assist them in establishing a good daily routine for the new infants; she visits homes where there has been tuberculosis and acute communicable

disease to assist the patient to receive adequate medical care and to help protect his family and the community from its spread; she visits children with orthopedic, or heart defects in order to acquaint the family with the resources available and assist in interpreting the medical recommendations to the parents.

Plans for the coming year include emphasis on health examination and immunization of the preschool child in order that he may enter school in optimum health; more frequent meetings of the type held in November at which specialists in public health problems can emphasize to the entire community the importance of prevention of disease; and further effort by the Health Council to analyze the needs of this town.

The Buxton Health Council, composed of representatives of various groups, has proved untiring in interpreting the program to the community in order to have it adequately supported and used. They have given advisory service to the nurse and supplied volunteer service for the health activities. Without the aid of this group the public health nurse would be less able to give the direct professional service she alone can render.

New and active members are always welcome in order to carry on the excellent work done by the Council in the last few years.

ELEANORE M. IRISH, Public Health Nurse
Division of Public Health Nursing
State Bureau of Health,
Portland, Maine.

R. BLANCHE DEAN,
Town Clerk

SCHOOL REPORT

Report Of The Superintendent Of Schools

To the Superintending School Committee and citizens of the Town of Buxton:

The annual report is herewith submitted:

The teacher shortage has made us realize more than ever the importance of the work of the teacher and how much we owe to our teachers. In order to have good schools we must have well trained and capable teachers. We have made considerable progress in education in many lines. We have more adequate buildings and enriched courses of study and excellent equipment. However our success in education depends largely upon the effective use of all of our resources by the inspiring teacher.

Teachers' Salaries

There has been considerable improvement in Teachers' salaries during the last few years. But the salaries paid teachers are still lower than those paid in many other fields. In view of the cost of teacher education and the importance of the work of the teacher in moulding the lives of the pupils it would seem that measures should be taken by the State to make available funds so that the teacher could have a more satisfactory wage and the profession would become more attractive. The requirements for teacher training have been increased without a compensating increase in teachers' pay.

Pending Legislation

A bill is pending before legislature which is enacted will provide an increase of \$150 for each teaching position maintained in a town provided a minimum program of expenditures is maintained. This increase would provide an allocation of \$450 for each position.

Vocational Training In The Small High School

The small communities have a real problem in their attempt to meet the various needs of their students, regarding manual and technical training, Commercial Courses and Home Economics. In these schools there is limited equipment; and limited resources. The amount of money available in the larger high schools makes possible the employment of a staff of teachers that the small high school can never approach. The work in the small high school is of necessity in a very limited field. The great advantage of the so called guidance courses in carpentry and manual training is that there is furnished an opportunity for students to discover their aptitudes and interests.

Course In Agriculture

Mr. Wayne Shipman left us during the summer to obtain a better position. Mr. Shipman was an outstanding teacher and his resignation was a real loss to the school system and to the community. We were fortunate in securing Mr. Chester Bacheller from Limington for the Fall Term. Vocational Teachers are very hard to find. However we were fortunate in securing a teacher from our own community to carry on the work for the remainder of the year. Mr. Willard Gillette who is now teaching the Agriculture Course is a graduate of Mass. State College and he has his Master's Degree from New Hampshire State College. We were fortunate in securing a radial saw which was made available through the Government Surplus Property Act. This machine costing approximately \$1,000 dollars was made available through payment of the cost of crating and delivery charges, for the Agricultural Course.

Remodelling Heating System At Bar Mills

The heating system had never been satisfactory over the many years since it was installed. A new boiler

was installed several years ago. But there have been many days in winter when it was exceedingly difficult to heat some rooms and maintain the required temperature. The old pipes and returns were taken out and the radiators taken down and cleaned out. Some of the pipes were nearly filled with rust. A new return was installed and much of the difficulty has been done away with and the heating system is in a very satisfactory manner. And this will result in a considerable saving of fuel.

Special Provisions Occupational Courses

The law in regard to such courses is as follows: Any youth in a town that maintains an approved secondary school which offers less than 2 occupational courses of study and whose qualifications for such training are approved by the school committee of said town may elect to attend some other secondary school to which he may gain admission for the purpose of studying an occupational course not offered by the town of his legal residence. Towns offering less than 2 vocational courses are required to pay the tuition in these cases. At present there are five students from Buxton taking such courses; 2 in attendance at Thornton Academy; 2 in attendance at Standish High School; 1 attending Deering High School.

Repair Work

A large amount of repair work has been accomplished this year. The N. C. Watson and Webster buildings were shingled and the interiors of the Bar Mills, Salmon Falls and Duck Pond were painted and the finish in the Bar Mills building was varnished. The Webster building was wired for electric lights. These lights were urgently needed in this building, especially on dark days. Another year if possible the remaining one room buildings should be wired for electric lights.

Remodelling The Agriculture Building

In the Agriculture Building we were confronted with the problem of a building that was so greatly weakened throughout that it seemed to be in immediate danger of collapse. The roof also was greatly weakened from lack of support. The building was condemned by the inspector from Augusta and we were instructed to remodel this building if we continued it's use. Various plans for doing this work were received including a plan to build a new roof. However we were able to have this work done without removing the roof and at a large saving in cost to the town.

Googins and Clark of Portland did the work which was done in a very satisfactory manner. Steel girders were installed and heavy trusses were constructed to hold the roof in place. The building is now so strongly reinforced that it is capable of withstanding a strain many times greater than would ever be put on this building.

Respectfully submitted,
GEORGE E. JACK,
Superintendent of Schools.

WARRANT FOR ANNUAL TOWN MEETING

York, ss.

To Ulric E. Smith, a Constable of the Town of Buxton
in the County of York and State of Maine,

GREETING:

In the name of the State of Maine you are hereby requested to notify and warn the inhabitants of the said town of Buxton, qualified to vote in town affairs, to meet in the town house of Buxton on Monday the 3rd day of March A.D. 1947 at 10 o'clock A.M. to act on the following articles.

Article 1. To choose a Moderator to preside at said meeting.

Article 2. To see if the Town will vote to accept the reports of the several town officers.

Article 3. To see if the Town will vote to continue the present system of voting as adopted at the special town meeting of June 11th, 1934, Article 7.

Article 4. To choose Town officers for the ensuing year.

Article 5. To see if the Town will vote to grant and raise the sum of \$2,000.00 to retire two bonds issued for flood control and bridge construction.

Article 6. To see if the Town will vote to grant and raise the sum of \$130.00 to pay interest on above outstanding bonds.

Article 7. To see if the Town will vote to grant and raise the sum of \$23,000.00 for the support of high school and elementary schools for teachers' salaries, janitors, fuel, textbooks and supplies and for the elementary school conveyance for the ensuing year.

Article 8. To see if the Town will vote to grant and raise the sum of \$2,000.00 for school repairs and equipment for the ensuing year.

Article 9. To see if the Town will vote to grant

and raise the sum of \$2,500.00 for the course in agriculture for the ensuing year.

Article 10. To see if the Town will vote to grant and raise the sum of \$1,260.00 for the Cafeteria in the high school.

Article 11. To see if the Town will vote to grant and raise the sum of \$750.00 for music in the schools for the ensuing year.

Article 12. To see how much money the Town will vote to grant and raise for a school clinic and free bed in the Buxton and Hollis Hospital.

Article 13. To see if the Town will vote to grant and raise the sum of \$300.00 for a public health nurse for the ensuing year.

Article 14. To see if the Town will vote to instruct the Selectmen to sell the horse sheds at the Samuel D. Hanson High School.

Article 15. To see if the Town will vote to build a Veterans Memorial Annex to the Samuel D. Hanson High School building in memory of Buxton veterans of World War II. Said Veterans Memorial annex to provide a gymnasium for physical education, Cafeteria facilities and rooms for courses in Commercial, Industrial arts and Home Economics subjects, and to properly equip said Veterans Memorial annex to the Samuel D. Hanson High School building.

Article 16. If the Town vote to build and equip the Veterans memorial annex to the Samuel D. Hanson High School building in the preceding article, then to see what sum of money, if any, the Town will vote to raise to be used for the erection and equipping of said Veterans memorial annex to the Samuel D. Hanson High School building.

Article 17. If the Town vote to build and equip the Veterans memorial annex to the Samuel D. Hanson High School building and raise money for the building and equipping said Veterans memorial annex to the

Samuel D. Hanson High School building as referred to in the preceding articles, then to see how the Town will vote to pay for the erection of said Veterans memorial annex to the Samuel D. Hanson High School building.

Article 18. If the Town vote to raise the money for the building and equipping of the veterans memorial annex to the Samuel D. Hanson High School building, as referred to in the preceding articles by the issue of bonds or by notes of the Town, then to determine the amount of such bonds or notes and the terms under which they shall be issued.

Article 19. To see what action the Town will take in regard to choosing a building committee to have charge of the erection of said Veterans memorial annex to the Samuel D. Hanson High School building.

Article 20. To see how much money, if any, the Town will vote to grant and raise for re-vising and re-decorating the Town of Buxton Honor Roll.

Article 21. To see if the Town will vote to grant and raise the sum of \$500.00 for insurance on school property for the ensuing year.

Article 22. To see if the Town will vote to grant and raise the sum of \$500.00 for town property insurance for the ensuing year.

Article 23. To see if the Town will vote to grant and raise the sum of \$1,296.00 for the construction of State aid highway No. 4 for the ensuing year.

Article 24. To see how much money, if any, the Town will vote to grant and raise in addition to the sum voted in the above article for the construction of State aid highway No. 4.

Article 25. To see if the Town will vote to extend construction of State Aid highway No. 4 from Bog Mill Corner to Route 35 at the Standish line.

Article 26. To see if the Town will vote to grant and raise the sum of \$1,650.00 for Patrol Maintenance of State aid highways for the ensuing year.

Article 27. To see if the Town will vote to grant and raise the sum of \$4,000.00 for the maintenance of Town highways for the ensuing year.

Article 28. To see if the Town will vote to grant and raise the sum of \$1,000.00 for bridges and culverts for the ensuing year.

Article 29. To see if the Town will vote to grant and raise the sum of \$1,000.00 for bush removal for the ensuing year.

Article 30. To see if the Town will vote to grant and raise the sum of \$3,000.00 for snow removal for the ensuing year.

Article 31. To see if the Town will vote to grant and raise the sum of \$1,200.00 for repairs and insurance on highway and snow equipment for the ensuing year.

Article 32. To see if the Town will vote to grant and raise the sum of \$1,000.00 for construction of state aid road No. 11, locally known as Waterman Road.

Article 33. To see if the Town will vote to grant and raise the sum of \$1,000.00 to gravel and repair the road from the black road leading from the residence of Ernest Parker proceeding through Chicopee to the Plains road. Petition of Geradus Van Betwu and 23 others.

Article 34. To see if the Town will vote to grant and raise the sum of \$500.00 to gravel the road from Groveville to Hurlin Smiths. Petition of Charles Marsh and 29 others.

Article 35. To see if the Town will vote to grant and raise the sum of \$500.00 for repair and gravel of road beginning at Scarboro Corner and extending westerly toward the farm of William Wright. Petition of Mr. and Mrs. Milton Johnson and 23 others.

Article 36. To see what sum of money the Town will vote to appropriate and raise for improvement of the Town road leading from the Rogers Fibre Co. to Jose's crossing and commonly known as Towle Street at

Bar Mills, Maine. Petition of Harold Sawyer and 34 others.

Article 37. To see if the Town will vote to grant and raise the sum of \$1,500.00 for maintenance and tarring the Rankin road. Petition of Alonzo Harmon and 18 others.

Article 38. To see if the Town will vote that the road known as the Buxton road from Bar Mills through Salmon Falls to the Saco line at Joy Valley be designated as the next State aid road built in town. Petition of Austin Gorham and 35 others.

Article 39. To see if the Town will vote to grant and raise the sum of \$3,000.00 for the Fire Department for the ensuing year, including repairs to building, upkeep of apparatus, salaries and insurance for the members of the department and all persons working under orders of fire chief also the cost of fuel and electricity for the building.

Article 40. To see if the Town will vote to grant and raise the sum of \$1,000.00 to repair the fire reservoirs at Groveville and Bar Mills.

Article 41. To see how much money the Town will vote to grant and raise for the purchase of a new fire truck to replace the 1925 Larrabee. Petition of Ev-erard Atkinson and 61 others.

Article 42. To see if the Town will vote to grant the use of the Firemen's hall for the Fire department and accommodation of its members. Petition of Gilbert Emmons and 69 others.

Article 43. To see if the Town will vote to instruct the Selectmen to enter into and sign a contract with The Central Maine Power Co. for a period of ten years, said contract to guarantee to the Town better street light service at a reduced rate of payment.

Article 44. To see if the Town will vote to grant and raise the sum of \$1,200.00 for street lights for the ensuing year.

Article 45. To see if the Town will vote to grant and raise the sum of \$2,000.00 for the support of poor for the ensuing year.

Article 46. To see if the Town will vote to grant and raise the sum of \$2,000.00 for mothers' aid and aid to dependent children for the ensuing year.

Article 47. To see if the Town will vote to grant and raise the sum of \$4,000.00 for officers' salaries for the ensuing year.

Article 48. To see if the Town will vote to grant and raise the sum of \$2,500.00 for miscellaneous expenses including officers' bonds.

Article 49. To see if the Town will vote to grant and raise the sum of \$75.00 to improve the plot in the Lower Corner Cemetery where the town charges were formerly buried. By request of Cemetery Association.

Article 50. To see if the Town will vote to grant and raise the sum of \$100.00 for the control of the white pine blister rust for the ensuing year.

Article 51. To see if the Town will vote to raise the sum of \$100.00 for the Maine Publicity Bureau, to advertise the natural resources, advantages and attractions of Maine.

Article 52. To see if the Town will vote to grant and raise the sum of \$50.00 for the Boys and Girls agricultural clubs.

Article 53. To see if the Town will vote to grant and raise the sum of \$60.00 for the Harold Hutchinson Post for memorial day.

Article 54. To see if the Town will vote to grant and raise the sum of \$125.00 to be apportioned in the usual way between the Bar Mills, West Buxton and Salmon Falls Libraries.

Article 55. To see what sum of money or per cent of collections the Town will pay the Tax Collector for the ensuing year, both regular and excise taxes.

Article 56. To see if the Town will vote to author-

ize the Selectmen or other authorized officers to procure a temporary loan or loans in anticipation of taxes for the purpose of paying obligations of the town, such loans to be paid during the municipal year out of money raised during said municipal year by taxes.

Article 57. To see if the Town will authorize the Selectmen and Treasurer to sell and convey any or all property acquired by tax sale according to their best judgment and issue quit claim deeds thereon.

Article 58. To see if the Town will vote for a complete Re-valuation, the same to be done by one or more disinterested parties, as provided for by the Constitution of Maine, Article 9, section 7, and provide funds therefor. Petition of Maurice Goodson and 25 others.

Article 59. To see if the Town will vote to organize the Bar Mills Fire Department under that name, to have charge and operate the Town's Fire equipment stationed at Bar Mills for the protection of persons and property. To have authority to elect proper officers and make appointments. Also to appoint committees and to add to or reduce its membership with such privileges as may be for the best interests of the Department. It shall be its duty to render service and to co-operate with other fire departments. Petition of Philip S. Brooks and 45 others.

Article 60. To see what action the Town will vote to take in regard to an ordinance to establish one or more town dumps. By request of the Buxton Garden Club.

Article 61. To see what action the Town will take in regard to a budget committee.

Article 62. To the Selectmen of the Town of Buxton and whom it may concern: We the undersigned wish a petition put in the town warrant to vote to get Shadigee School opened permanently. Petition of Frank H. Jewett, Jr. and 41 others.

The Selectmen give notice that they will be in session on Saturday, March 1st from nine o'clock a.m. to five o'clock p.m. for the purpose of correcting the lists of voters,

Fail not to make due service of this warrant and return your doings thereon at the time and place of meeting.

Given under our hands this 22nd day of February, 1947.

FRED W. SMITH,
SAMUEL HALE,
KENNETH KNIGHT,
Selectmen of Buxton.

The members of the Budget Committee were duly notified to attend a meeting Tuesday afternoon but as none of them appeared the Selectmen were obliged to cancel the meeting, therefore the foregoing warrant has in no way been acted on by the Budget Committee.
